

Fund Criteria:

Wales in London Philanthropic Fund

The Wales in London Philanthropic Fund has been created in the spirit of the core purpose of the Wales in London organisation, which is to provide a bridge between Wales and London - and indeed further afield.

It supports enterprising students and people at the beginning of their careers to achieve their ambitions. For example it will support costs associated with being a student, scholarships, business bursaries, work experience/career development.

Grants Available

- Individuals aged 25 or younger can apply for grants of **between £500 and £1,250**.

Who can apply?

- Young people who were born and/or educated in Wales, for whom a scholarship/bursary will enable them to develop their education, learning, business and career skills, and will broaden their horizons in London or outside Wales

It is expected that successful applicants will pledge to 'give back', now or in the future, to the Wales in London Philanthropic Fund or indeed to society more generally. For example giving pro bono support, charitable donations, fundraising activities and volunteering as forms of philanthropic giving.

Successful applicants may be invited to attend and present at Community Foundation Wales or Wales in London events within the year following receipt of funding, to update the donors on how the grant has contributed towards their development. Community Foundation Wales will also expect a monitoring report, and would greatly appreciate updates from beneficiaries so we can gauge the longer-term impact of our grants.

How to apply?

All applicants must complete an online application form which can be accessed via our website.

Please note:

- Preference will be given to applicants who best show how they meet the Fund's objectives, and who best demonstrate the financial and social need the grant will address.
- Grants will not be awarded retrospectively i.e. for costs already incurred prior to receipt of the grant offer letter and signed terms and conditions.
- Grants will not be awarded to individuals for costs where financial support is otherwise available e.g. tuition fees where the applicant is eligible for a student loan.
- Individuals can only apply to the fund once in any 12 month period.
- Successful applicants are not eligible to re-apply for 5 years.
