## Multiple Year Funding

We recognise how important it is for individuals to be able to plan for the future and that having secure funding can give you the confidence and reassurance to develop over the long-term.

The Dr Dewi Davies Endowment Fund offers individuals the opportunity to apply for multi-year funding of up to 3 years but will also continue to offer 1 year project or small item funding.

We hope to be able to make **at least one three-year grant per year**. To be considered for a three-year grant please evidence the need and impact of having funding for multiple years within your application form. Your application will still be considered for one year funding if you are not successful with a three-year grant.
